

TEATRO

Beverage Menu

Autumn 2022

“As I ate the oysters with their strong taste of the sea and their faint metallic taste that the cold white wine washed away, leaving only the sea taste and the succulent texture, and as I drank their cold liquid from each shell and washed it down with the crisp taste of the wine, I lost the empty feeling and began to be happy and to make plans.”

– Ernest Hemmingway, A Moveable Feast

It is our pleasure to welcome you to Teatro. The building you’re sitting in is a Dominion Bank, built in 1911, an era where high ceilings and columns let you know your money would still be there when you came back for it.

Teatro opened it’s doors in 1993, and while many renovations were required to transform the bank floor into a functional restaurant, one area that was preserved was the vault, which now houses our 12,000 bottle wine cellar. This cellar currently represents 20 countries, more than 100 varieties of grapes, and 6 decades, starting in 1964.

The wines of Bordeaux have always been the cornerstone of Teatro’s wine program, which we purchase annually *en primeur*. That being said we also pride ourselves on our selection of Italian and United States reds, as well as German and French whites, to name a few.

If you find navigating the wine list to be a chore, please don’t hesitate to summon a member of our management team, who are happy and capable of finding you something that suits your needs.

We offer corkage for \$40 per 750ml bottle. We allow a maximum of 2 bottles per table. The corkage fee is waived on Sundays.

All of our wines by the glass are also available to go, at half the price printed on the menu.

Please note that the menu is printed monthly, and we occasionally experience out of stocks, and vintage changes.

If you have questions about our wine list please contact our Wine Director at taylor@teatro.ca

We're Doing A Vermouth Feature !

Vermouth is a highly aromatic fortified wine that has been flavoured with herbs, spices and botanicals. In North America we know vermouth primarily as a cocktail ingredient, but our goal is to bring awareness to how it is consumed in other parts of the world; on the rocks, or with a simple mixer.
